

A photograph of numerous cricket bats leaning against a wall. The bats are made of light-colored wood and are arranged in a dense, slightly overlapping manner. The wall behind them is a textured, greyish-brown surface. At the base of the bats, there is a pile of fine wood shavings and dust. The lighting is soft, highlighting the natural grain of the wood.

GREATER THAN

GIN AGED WITH KASHMIR WILLOW

*A cricket bat is a thing of beauty. Until it breaks and is relegated to a corner of the house. We have given these bats a second life by giving them a nice shave and soaking them in a vat of our **GREATER THAN** Gin. The bats might be gone, but their spirit lives on in this bottle.*

BROKEN BAT is the 3rd Limited Release of **GREATER THAN** Gin

TASTING NOTES

Aged leather and freshly toasted wood followed by almost-ripe mangoes and sweet juniper spice, all of which leaves you reminiscing over your favourite Christmas cake.
